Course Material/Site Content

Please note: There are many approaches to learning the Tarot with numerous schools of belief, method and systems that can often seem open to interpretation. Tarot has evolved from the original or traditional manner in which it was taught and handed down over the centuries.

It is likely during your study of Tarot you will come across conflicting opinions and concepts which will lead you to question which system is the right one to follow. It is the view of Jenny Florence/The Moon Magic Master Tarot Programme/The A-Z of Emotional Health Ltd that there is no right or wrong way to learn Tarot and we encourage you to expose yourself to as many variations as possible before determining which method suits you.

Many modern Tarot Readers do not stick rigidly to any one school or system, preferring to find their own unique method of interpretation and the development of their own Spiritual understanding of skills including but not exclusive to clairsaudience (hearing voices), clairvoyance (seeing images), clairsentience (recognizing feelings), and claircognizance (knowing) Precognition, Retrocognition, Psychometry, Remote viewing, which they make their own. Many Tarot Readers interpret the cards on an intuitive level, which does not necessarily entail a detailed study of traditional Tarot and its symbolism.

The Moon Magic Master Tarot Programmes and learning platform is designed to help build a foundational knowledge of Tarot concepts and a history of signs and symbols from a unique perspective developed by Jenny Florence through her own practise and learning journey. Some aspects are open to interpretation and individuals may disagree with concepts of Tarot presented in this context. Therefore, this course does not offer a definitive guide to learning Tarot.

The information provided by the Moon Magic Master Tarot Programmes are subject to interpretation, and students embarking upon the Moon Magic Master Tarot Courses for personal or professional purposes, do so with the understanding that this is only one of many ways of interpreting Tarot. The concepts, or theories, presented in the programmes are not binding or absolute. As there are various styles of Tarot Reader, there are also various styles of Tarot Teachers.

The Moon Magic Master Tarot Programmes are designed to teach the skills needed to be a fluent and competent Tarot reader whilst also understanding the Tarot as a tool for personal growth to assist in leading a Spiritual life of authenticity, integrity, and self-responsibility.

The Moon Magic Master Tarot Programmes are created with the intent of helping Tarot readers to reach a professional standard of reading that adheres to an ethical framework of practice.

The Moon Magic Master Tarot Directory is created with the intent of providing a listing of Moon Magic Master Tarot Professional Programme graduates who adhere to a professional ethical framework of practice.

Students/participants are advised to only take from Jenny Florence/The Moon Magic Master Tarot Programme/The A-Z of Emotional Health Ltd that which they feel is relevant to them. It should not be rigidly followed or adhered to under any misguided assumption that it is the ultimate Gospel or Bible of Tarot. Jenny Florence is not a Master or Guru of Tarot and should not be treated or referred to as one. Any direct action taken as a result of studying The Moon Magic Master Tarot Courses/Readings is the sole responsibility of the Student, Reader, or Viewer, and Jenny Florence/The Moon Magic Master Tarot Programme/The A-Z of Emotional Health Ltd will not be held legally responsible for same.
